EDUCATION

M.Sc Interaction Technology and Design
Umeå University | 2019 -

Upper Secondary School - Technology and IT specialization
Luleå Gymnasieskola | 2016 - 2019

EMPLOYMENT HISTORY

TEAM LEADER / EDUCATOR

Teknikens hus | January 2018 - August 2019, June 2021 - January 2022

I was responsible for the daily operation as well as coordinating and motivating the team. I also educated children in basic programming and gave planetarium shows to visiting tourists.

INSTRUCTOR IN THE COURSE OF BASIC UNIVERSITY ALGEBRA

Umeå University | August 2020

I was responsible for tutoring a group of 20 new engineering students. I demonstrated problem-solving in front of the class, graded tests, and was there to answer questions.

SOFTWARE DEVELOPER AND STUDENT BRAND MANAGER

Cygni part of Accenture | May 2021 -

As Student Brand Manager, I represent their brand at different student events. During the summer of 2022, I also worked as a software developer on a project called Snake Bot.

AWARDS

Tech Girl of the Year 2022

Awarded by Microsoft Sweden

NASA Space Apps Challenge 2021

Winners of the Swedish competition

Good Tech Hack 2020

Awarded as best student team

VOLUNTARY WORK

COMMUNICATIONS MANAGER

CS-sektionen | October 2020 - September 2022

My job was to communicate important information to the students of the computing science section. I was also responsible for creating content for CS-sektionen's channels.

PR- & MENTORSHIP MANAGER

Pepp | August 2020 - June 2021

I was responsible for the mentorship program and all communication with the mentors. I was also responsible for creating content for Pepp's social media.

MEMBER OF THE PROGRAM COUNCIL

Umeå University | September 2021 - October 2022

As a member of the program council, I help improve the program by meeting with teachers, lecturers, and the program manager.

HEAD OF DIGITAL MARKETING

DataTjej | April 2022 -

I create content for DataTjej's social media as well as communicate important information to members.
